

Dear Families,

As we prepare for the 2026–2027 school year, we wanted to share a few details regarding our **Private Preschool Discount** for children in the year before kindergarten.

As previously shared, Christ Fellowship Church Child Development Center is no longer participating in Colorado's Universal Preschool (UPK) program. Instead, eligible families will receive our Private Preschool Discount, allowing us to continue providing the same high-quality, Christ-centered preschool experience.

Here is what you can expect:

- **Discount Dates:** The Private Preschool Discount will be applied from **August 3, 2026, through May 28, 2027.**
- **Weekly Discount:** Eligible children will receive a **\$140 weekly tuition discount.** A copy of the discounted tuition rates is included with this letter.
- **Eligibility:** Children must be **4 years old by October 1, 2026,** and be enrolled **full-time (3–5 full days per week)** to qualify for the Private Preschool Discount.
- **Billing:** The Private Preschool Discount will automatically be reflected on your weekly Brightwheel billing statement during the program dates.
- **Attendance:** Please continue to check your child in and out using Brightwheel each day. Accurate attendance helps us maintain safe and accurate records for all children.

While we anticipate continuing with our Private Preschool Discount, if circumstances change and we determine that reinstating Colorado's Universal Preschool (UPK) program is the best option, we will communicate with eligible families as soon as possible and provide clear next steps and enrollment information.

If you have any questions, please don't hesitate to reach out. **970-223-0682** or chastine@cfccdc.com

Thank you for partnering with us. We are grateful for the opportunity to be part of your child's preschool journey and look forward to another wonderful year of learning, growing, and sharing the love of Christ together.

In Christ,

Chastine Wrye
